

The Quarterback Sneak (Fantasy Football Romance) (Volume 4)

A recovering alcoholic, football player Liam McQueen seeks redemption on and off the field. So when the team's owner, the man who gave him a shot at a comeback, demands that Liam pretend to be engaged to his wayward daughter, it's a favor the reformed bad boy feels he can't refuse. After violating her probation, heiress Hayden Middleton must prove to the court she's changed her wild ways. To appease the judge, the tabloid queen agrees to a fake engagement, but there's nothing fake about the heat that sizzles between her and her father's saintly star quarterback. Mastering the sex playbook isn't a problem for this wild couple. Outside the bedroom, this mismatched pair must plan a game strategy to confront their demons if their temporary arrangement has any chance of going long. Will love come into play as the sinner and the saint go head to head?
