

The Rebel (Assassins Guild Book 2)

Cole's heart is dark. He's a mystery, even to those closest to him in the Assassins Guild. All anyone really knows for sure is that he's ruthless, grim, and cares little for his own life. So when he loses his memory during an attack and thinks himself a naive eighteen-year-old again, no one can really believe the transformation. But as his memory returns, so do the nightmares and the dark reality of who he has become. Lucy's world is bright. When gentle-natured Lucy falls in love with the damaged stranger, she thinks him a smiling, amiable gentleman. But rumors of a murder in the nearby village have her suspecting that her patient may be hiding a terrible secret. Can opposites really attract? What will happen when Cole regains his memory and his past catches up to him? The Rebel is the second novel in the Assassins Guild series. The books in this series do not need to be read in order, but it will enhance your reading experience if they are.
