

Taming Lisa

Lisa Pasqualones day couldnt be worse. She stole a cat, is attacked by the armed owner and finds herself attracted to her attacker. Thankfully she had her eyebrows and lip waxed. Her face will look good when shes in the casket. Max Collins isnt sure whats worse. Being shot point blank in the crotch with a paint gun or accepting a drink with the cat-napper. If only the woman wasnt so cute, hed be able to keep from planning a way to get to know her better. This book was written for my friend Lisa, who keeps me in stitches with her adventures. I hope you enjoy!
