

Loving Rowan (Friends Book 1)

Rowan, Andrew, and Charlie were the best of friends for as long as they all could remember. Rowan adores Charlie because she's another girl with a boy's name. She's in love with Andrew, and sure that one day they'll live happily ever after. But when Andrew and Charlie break her heart, the painfully shy and socially awkward Rowan struggles to form new relationships. Befriending Kyle, she quickly slots him into the best friend role vacated by Andrew, assuming that is what he wants, but Kyle has other ideas about the direction of their relationship. When Andrew's life takes an unexpected turn, he isn't ready to let go of the girl who grew up idolizing him. And he's prepared to do anything to keep her. Recommended 18+ for sexual content.
