

## Vegas Love: (A Sweet, Sexy Standalone Contemporary Romance) (The Love Series Book 1)

A sexy celebrity standalone romance by USA Today bestselling author, Jillian Dodd. Hollywood actress, Ashlyn Roberts, just had the worst week of her life. Her ex released a sex tape of them and just when she was convinced her current boyfriend was a keeper for standing by her side, he breaks up with her at a friend's wedding. She's planning to drown her sorrows in booze when she meets a sexy stranger as she's leaving the wedding and they end up in Vegas, married. Cash Crawford is offered a dream job working with his brother as a junior talent agent. He put his shiny new law degree to good use and made a bunch of money in the process. His first task is simple: Keep Ashlyn Roberts out of trouble and don't sleep with her. Which might be kind of tough, since they definitely consummated their Vegas wedding. Will this one-night stand end in the quickie divorce they promised each other? Or will they realize they got lucky in love?
