

Slaying Monsters (Book 3) (Legacy of Terror Series)

Grim Island is going to hell. At least that is how it appears at this point. Lacey has returned; pregnant. Gerald wants her to have his babies, even if that means she dies screaming during the process. Jamie can't forgive her betrayal, but ultimately he doesn't want to see her die. Can Jamie put his feelings aside long enough to save Lacey? With the help of his band of misfit allies set out for the abandoned asylum, Jaime must try to defeat Principal Gerald Sweetling once and for all. The only thing they hadn't counted on getting in their way was an ancient flesh-jumper called Mercy Dyer, the Matriarch. Making matters worse is the treacherous storm dubbed Calamity heading straight toward their island. Note: This is a romance and suitable for readers 18+ due to graphic language and sexual content.
