\*New Adult Romance\* \*\*Explicit Scenes and Language\*\* Let your hair down, Caroline, they said. Itll be fun, they said. I know Ive closed myself off in a major way in the past year, ever since the incident where I messed up my life completely. Its past time I try to live again or just give up completely. But this is quite possibly the craziest thing Ive ever done. In a last ditch effort to invigorate myself, Im standing outside Oren Tennings bedroom, I just peeled off the sexiest pair of underwear I own, and my hand is already raised to knock. My brother would disown me for doing anything with his best friend, and hed probably kill Oren. But if I play my cards right, no one will ever know about this. Not even Ten. Maybe after tonight, Ill finally get over this stupid, irrational crush I hate having on the biggest jerk Ive ever met. Or maybe Ill just end up falling for him even harder. Maybe Ill discover theres so much more to my crude, carefree hunk than meets the eye.
