

Terror Stash

A stash of terrorists in a tiny town? No one believes her. American diplomat Montana Dela Vega, posted to laid-back Western Australia, discovers a band of known terrorists hiding deep in the bush. Laughed at by superiors, she must find courage and her own resources to expose the ruthless zealots. The only people who believe her wild story are Caden Rawn, the mysterious and physically intimidating man with a terrifying reputation, and a bloody history that dogs his every step; and Steve Scarborough, a local police officer with an instinct for the truth and a secret of his own. Caden and Montanas private investigation entwines them in tragedy and fear, and teaches them the meaning of friendship...and love. They must face the cost of truth and the courage of their convictions for Montanas terrorists are very real and very deadly indeed--and they want Montana for themselves....
